

Dear Parents,

As we learn more about God’s Word, our class will begin a new unit called The Lord Has a Plan. We will be looking at the amazing way God worked in the lives of Joseph and Moses. God had a plan for their lives. He has a plan for each of our lives too. And as with Joseph and Moses, the direction of that plan may not be clear till many years have passed.

God says in Jeremiah 29:11, “I know the plans I have for you . . . plans to prosper you and not to harm you, plans to give you hope and a future.” This does not mean all our problems on earth will be taken away. As long as we live in a world damaged by the consequences of sin, we will face difficulties. But God promises to be near us and bless us, even in the midst of troubles.

Help your child to recognize God’s hand of blessing even during difficult circumstances. Know that we can always trust the wisdom and grace of God to do what is best. And remember, the one plan we know with certainty is that we will live with God in heaven one day because of what Jesus did for us through His death and resurrection to bring us forgiveness, life, and salvation.

Sharing the love of Jesus,
Mrs. J. Steinbrueck
