BIBLE VERSES: No verses are due next week. Students should begin studying the commandments and say them to me when they are ready. Learning the commandments is an extra credit activity!

ACCELERATED READER: Several students have reached their goal. I have challenged them to double their goal!

If a student doubles the goal, 2 more Super Store Coupons are awarded! There are awards at the end of the year for students who accumulate the most points. 1st, 2nd, and 3rd place prizes will be given! Students should be reading books on their reading level. They need to be able to take the computer tests independently, raising their hand for occasional help with a word.

READING! READING! READING! Keep encouraging and listening to your child read!

SALLY FOSTER: Please help us earn money for upgrading our playground and setting up our new, larger computer lab! Your children will be the benefit from every sale!

STUDENT COUNCIL: Elections will be held on Tuesday.

EDLINE: Current progress reports have been posted. You can also check your child's AR points on Edline. If you need help accessing your child's report, call or email the office for instructions.

NEXT WEEK - SHORT WEEK: School is in session on Monday & Tuesday of next week. Teachers will attend the Florida-Georgia District President's Conference.

CHURCH & SUNDAY SCHOOL: If you are looking for a church home, we welcome you to Immanuel each week. Worship services begin at 8:30 and 11:00 a.m. and 6:00 p.m. Sunday School begins at 9:45 a.m.

****TIP FOR PARENTS:** Do some special things with your child. One parent can take a child out – just the two of you for a time of sharing, eating, riding bikes, or whatever you both enjoy. This is especially important to do in families with more than one child. Remember that each of your children is different. Take time to cultivate each child's God-given gifts and talents.
